

SAVE MORE WITH citb NVQ GRANTS

If you have been thinking of completing or supporting your employees to complete an NVQ assessment, then now is the time to do it.

CITB have announced grant increases for specific NVQs from the 1st April 2023. All companies registered with CITB are eligible for the grants which cover most – if not all – of the fees involved in completing an NVQ assessment.

NVQ Level	Course	Fees with grant
Level 3	Construction Contracting Operations	Fully funded
Level 4	Construction Site Supervision	£375
Level 6	Construction Contract and Operations Management	£395
Level 6	Construction Site Management	£395
Level 7	Construction Senior Management	£600

HOW DOES IT WORK?

CITB's NVQ grants are available on completion of the assessment. This means you'll pay the regular fees upfront before claiming the grant at the end of the course.

For more information or to register for a course, contact James or Tanya on 01202 681525.
